Reasonable effort have been made by the Idaho Transportation Department (ITD) to verify that the map accurately suggests the course data used in its preparation; however, a degree of error is inherent in all maps, and this map may contain omissions and errors in scale, projection, rectification, positional accuracy, development methodology, interpretation of source data, and other circumstances. As additional data become available to ITD, and as verification of course data continues, this map may be reprocessed or updated by ITD. The map is data specific and is intended for use only at the published scale. This map should not be used for navigational, engineering, legal, or any other site-specific use. This map is distributed "as is" without warranty of any kind.
