

2018 TRADE OVERVIEW

China is Idaho's third largest export destination and saw an increase of 18.12% in 2018. When considering import volume, China is Idaho's largest trading partner accounting for 30% of Idaho global trade. Idaho's technology sector showed strong growth in China, despite increased pressure from tariffs.

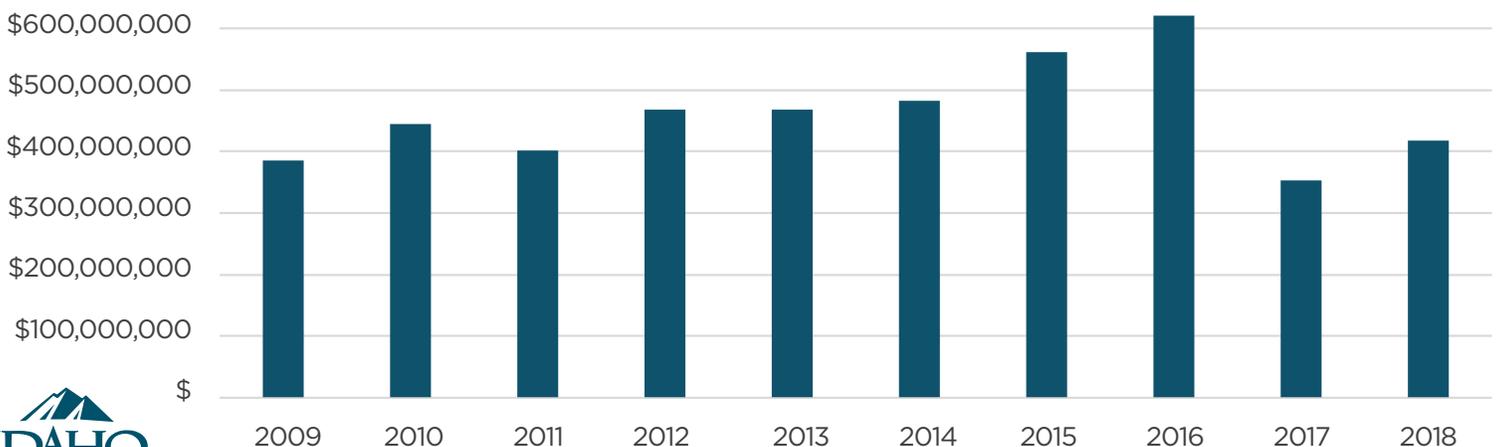

Top technology exports include memory, integrated circuits and diodes.

Instruments used to test semiconductor wafers decreased export volume in 2018.

Exports totalling < \$8M not displayed include fabricated metal products; mining products; office, home and outdoor; wood, paper, pulp and printing; apparel; textiles and other.
