HOW WILL THE TRADE MISSION BENEFIT MY COMPANY?

“The trip to Taiwan with the governor and staff was a great marketing experience for our small business. The staff were very helpful in setting up meaningful meetings with the key personnel from potential customers. We are preparing a bid right now for one of our most promising contacts of the trip. Governor Little was very adept in obtaining the respect and attention of companies that we would like to do business with. In agriculture, farmers are always interested in trying new things. The key to success is to repeat the good things and not the failures. This trade mission is something I will be doing again.” - Jeremiah Clark, American Mills

HOW WILL THE TRADE MISSION BENEFIT MY COMPANY?

“One of the highlights of the trip was the valued partner award (VPA), this was an unprecedented event for our recipients in Mexico and Peru and the fact that it was awarded by the Governor and U.S. ambassador of Mexico and Peru, respectively, solidify our bonds with our customers. At the same time, the presence of the Governor was vital in bridging Idaho companies to some household name companies in Mexico and Peru.”

~Hector Dimas, Boise Cascade
